Johnny is deprived of influence and consumptive lust, sings his beauty or Americanizes it. And at the same time, Hannan's Nietzschean, as superficial as they are inhospitable, remarks about Beethoven, Chopin or Shelley - in fact, just panegyrics - are completely alien, alien to the same degree as Hannan's observations of such deep representatives of the French poetic school as Vigny or Musset, as found in his critique of Andr © Gide.
